

## FACT SHEET

# NORTHSIDE HOSPITAL

*VOTED ATLANTA'S MOST PREFERRED CARE...\**

### OUR HISTORY

- On June 27, 1970, Northside Hospital opened its doors, with 250 beds, a 24-hour emergency department, 80 physicians and more than 400 other professionals.

### TODAY

- Northside Hospital is a 537-bed, not-for-profit, full-service community hospital.
- With more than 2,000 physicians (the largest medical staff in the Southeast) and 5,000 employees, we realize nearly 700,000 patient visits annually.
- Northside has been voted Atlanta's Most Preferred Hospital in Overall Healthcare Services by consumers in the National Research Corporation's Healthcare Market Guide Study every year since 1997. \*

### SPECIALTIES AND SERVICES

- The Women's Services program is dedicated to caring for a woman's health throughout her life. In addition to advanced obstetrical and gynecological care, Northside Hospital features a Neonatal Intensive Care Unit, the latest in breast cancer treatment and community education programs.
- Northside Hospital is the leader in maternity and newborn services, delivering more babies than any other hospital in the United States (more than 17,000 deliveries in 2008).
- Specialists at Northside Hospital perform more surgeries than at any other hospital in Georgia, more than 35,000 a year.
- Specialists at Northside also perform more laparoscopic robotic prostatectomies than any other hospital in Georgia and Northside ranks in the top 5 percent of all GYN robotic surgery  
Information provided by [www.northside.com](http://www.northside.com)
