

NEED A MAMMOGRAM BUT CAN'T AFFORD IT?

Northside Hospital currently has funding for mammograms & breast diagnostic services for qualified applicants

According to the American Cancer Society, mammography plays a vital role in the early detection of breast cancer.

The truth is, not every woman can afford this life-saving exam. As a leader in women's healthcare, Northside

Hospital has funding to help qualified applicants obtain mammograms and breast diagnostic services.

ELIGIBILITY REQUIREMENTS:

- No insurance
- Written order from your physician
- Must meet income requirements
- Resident of Cherokee, Clayton, Cobb, DeKalb, Fayette, Fulton, Forsyth, Gwinnett, Henry, or Rockdale county
- Age 35+ for screening mammogram

NORTHSIDE HOSPITAL IMAGING LOCATIONS:

- Northside Hospital-Atlanta Breast Care Center
- Northside/Alpharetta Women's Imaging
- Northside Hospital-Forsyth Breast Care Center
