Meet Your 2012 Parent Advisory Committee

The Parent Advisory Committee (PAC) provides guidance and support to the Child Development Center in order to enhance the effectiveness and quality of care and education provided. The PAC meets on the 4th Thursday of each month from 12:00 – 1:00 PM in the Child Development Center Commons Room. Copies of the 2012 Goals & activity Calendar are located at the reception desk for your information. Parents volunteer annually to represent their classroom(s). Your classroom representatives for 2012 are as follows:

We recognize that a strong partnership between the Center and home is very important. In order to improve our parent participation in the center, our PAC developed a parent volunteer incentive program. Many of you already volunteer in the center regularly and we appreciate your help. We would like to see our entire parent group serve as volunteers. As an incentive, we will give you a \$10.00 credit at re-enrollment in October if you will volunteer 10 hours in the Center. The program for this year began October 1st, and will end for this school year on September 31st. All volunteer hours must be logged in the notebook at the reception desk.

You will be informed of volunteer opportunities in the Center and classroom newsletters. Please let us know if you want to help, and we will find an opportunity that will fit your needs and schedule. Thank you for your continued support.
