

Local Jewelry Store Supports Northside Hospital's Breast Care Program

RK & Co. Jewelers is passionate about jewelry and providing exceptional client service. The company offers a wide range of bridal and fine jewelry collections, featuring Chamilia and other exclusive designers, and provides onsite professional jewelry repair and appraisals, expert watch repair and battery replacement.

But what makes the company unique is its dedication to supporting breast cancer awareness and the search for a cure. With every jewelry item sold, in the store and online, a percentage of the sale goes to Northside's Breast Care Program... not just in October, but all year long.

How you can help:
