

2018 Prostate Cancer Screenings

Another Community Service Program of Northside Hospital Cancer Institute

The Northside Hospital Cancer Institute invites men between the ages of 45-75 to attend one of our prostate cancer screenings offered throughout the year at several convenient locations. PSA blood tests will be provided. Visit northside.com/prostate-cancer-screenings to learn more about the benefits and risks of PSA testing. Men are encouraged to make an informed decision with their health care provider regarding the appropriateness of prostate cancer screening.

Screening Date	Time	Location	Registration Opens
Thurs., February 22, 2018	5:30 - 8 p. m.	Northside Hospital Forsyth Cumming, GA	January 8, 2018
