

# COVID-19 Screening Process

## for Patients Scheduled for Surgery

In an effort to protect you, your family, our healthcare workers and the community, Northside Hospital will now require a screening test for COVID-19 **three business days before your scheduled surgery**. Screening will be performed at one of our drive-thru testing sites **Monday - Friday: 7:00 AM to 7:00 PM**. Drive-thru testing sites are located close to each of our hospital facilities. Please go to the testing site designated for the facility where your surgery will take place (see reference below):
