8 am - 3 pm

GAS SOUTH ARENA
6400 Sugarloaf Parkway, Duluth, GA 30097

ONLINE REGISTRATION IS REQUIRED
northside.com/primarycaresummit

OVERVIEW

This annual Primary Care Summit is designed for today's busy physician, resident, physician assistant and nurse practitioner who practice in a primary care setting. It will focus on the latest advances in a variety of rapidly changing therapeutic areas or conditions including: Gastroenterology, Psychiatry, Dermatology, Hematology, Cardiology, and Integrative Medicine as well as address practice changing updates from 2021. The lectures will be presented by Northside Hospital Gwinnett-Duluth specialists or other experts in the field who can provide insight to help the clinician address common clinical challenges in our rapidly evolving healthcare environment. The emphasis is on providing practical and beneficial information to improve patient outcomes and help you address practice gaps and common clinical challenges encountered in your daily practice.

TARGET AUDIENCE

This activity is designed to provide updates for the Primary Care Physicians and Advanced Practice Providers.

CONFERENCE OBJECTIVES

- Review current treatment guidelines, diagnostic recommendations, and management strategies for a variety of medical conditions commonly seen by the primary care healthcare team.
- Diagnose frequently encountered medical conditions and apply an evidence based-treatment plan to improve patient outcomes.
- Summarize up-to-date management of common medical conditions in clinical practice.
- Increase understanding of a variety of disease processes and determine strategies to optimize referrals and consultations with specialists in order to provide optimal patient care.

ACCREDITATION STATEMENT

Northside Hospital is accredited by the Medical Association of Georgia to provide continuing medical education for physicians. Northside Hospital designates this live activity for a maximum of 5.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ONLINE REGISTRATION
