

**Northside Hospital Maternity Information**

Hospital Admitting/Pre Registration

Because you don't want to have to think about signing papers and registering for the hospital when you are in labor, we encourage you to take care of this by your 6<sup>th</sup> month of pregnancy. The pre-registration form is easily found under the patient information tab on Northside.com, or by calling 404-459-1280 for more information.

You will need the following:

- Government issued photo ID card
- Insurance/Medical card for mom and for baby (if different)
- Work address and telephone number
- Name, telephone and address of emergency contact
- Completed pre-admission form
- Obstetrician/Midwife and pediatrician information
