Did you know colon cancer is the third most common cancer worldwide? Attend this program in-person or virtually to hear an overview on colorectal cancer. This program will discuss the symptoms and diagnosis of colorectal cancer, along with potential treatment options and side effect management. Participants will have the opportunity to ask questions. A light lunch will be available for in-person participants.

**Wednesday, April 24, 2024**  
**11:30 a.m.–12:00 p.m. Light Lunch**  
**12:00 p.m.–1:00 p.m. Presentation**

Register in advance for this program on our website at:
